Casados

A white plate filled with a variety of foods. In the center is a mound of white rice. To the right of the rice is a portion of dark red beans. Above the rice is a piece of golden-brown fried chicken. To the left of the rice is a fresh salad consisting of green lettuce, sliced cucumbers, and a tomato slice. At the top of the plate are several slices of yellow plantains.

Comidas Rápidas

A close-up photograph of a burger with a sesame seed bun, cheese, lettuce, and tomato, served with french fries on a white plate. The burger is the central focus, with a thick patty, melted cheese, fresh lettuce, and tomato slices visible between the sesame seed bun. A wooden skewer is inserted into the top of the burger. To the left of the burger, a portion of golden-brown french fries is visible. The entire meal is served on a white plate, which is set against a light-colored, textured background. A decorative orange arc is visible in the upper left corner of the image.
